## ISRT General Business Meeting

Meeting called to order at 12:20 pm

Thank you to the vendors and donors of this year's conference.  
Also, special thanks to the Conference Committee for all their hard work.

A quorum was established.

Introduction of officers.

We do not have a representative from ARRT this year.

Motion was made, seconded and passed to approve the previous year's business meeting minutes.

**Treasurer Report:** Report given. See attached.

**Membership Report:** Mailings were sent out to all registered techs in Idaho. We currently have 110 members, 48 of which are students. Recognition was given to ISU for having 100% participation from its students for the 2<sup>nd</sup> year in a row.

**Conference Report:** Things are going well, we should be able to cover all expenses. The Mardi Gras night is looking to be fun.

We are interested in passing a licensure law. Senator Dean Cameron said he would sponsor a bill for us. A legislative committee will be formed.

**RT in DC Report:** The Care Bill is progressing rather well. It is receiving more co-sponsors everyday. However, the response from the Idaho legislators was that it was a "state's rights" issue. We need to focus on legislation at a state level. Idaho is one of only 8 states that don't have any minimum requirements.

**Historian Report:** The historical albums are here; take the opportunity to look at them.

### Nominations:

President-Elect  
Andrea Summers  
Larry Stoller  
Treasurer/Membership Officer  
Karen Roberts  
Secretary  
Candice Moore

April 27 & 28, 2007  
Burley, ID

**Nominating Committee elected:** Joel Rogers, Scott Staley, Wendy Mickelsen

**Old Business:** We are currently on probation from the ASRT because we need to make a couple changes to our bylaws, and we need to find a SWISRT District President who is an ASRT member. Regarding the bylaw changes. Article V, Section 2 please add the statement, "All board members shall be voting members of the Society and the ASRT." Under Article VIII, Section 3 remove the word secret, and under Article XI change word latest to current. These changes will be voted on at tomorrow's portion of the business meeting.

It was asked if a person could be elected if he/she is not currently an ASRT member. Because the Nominating Committee is given the authority to offer, as an incentive to run for ISRT office, a 1-year ASRT membership for individuals elected to the ISRT Board, it was thought that the newly elected individual could quickly join the ASRT before the installation ceremony took place.

**Election Results:**

President Elect – Larry Stoller  
Membership/Treasurer – Karen Roberts  
Secretary – Candice Moore

Motion was made, seconded, and passed to recess until tomorrow.

Meeting recessed at 1:05 pm.

Meeting reconvened April 28, 2007, at 12:35pm

A quorum was established.

**ISRT Bylaws:** Bylaw changes were reviewed. Article V, Section 2 please add the statement, "All board members shall be voting members of the Society and the ASRT." Under Article VIII, Section 3 remove the word secret, and under Article XI change word latest to current.

Motion was made seconded and passed to make these changes.

We also need a president for SWISRT. Mike Gurr has volunteered to do this.
