

**Idaho Society of Radiologic Technologists**

Established November 8, 1941

**2021 ANNUAL EDUCATIONAL CONFERENCE**

The Idaho Society of Radiologic Technologists will be holding their annual conference in Boise, ID on Friday, April 23rd and Saturday, April 24<sup>th</sup>, 2021. Upwards of 150 technologists, and more than 50 graduating radiologic technology students will be in attendance.

Employment in the medical imaging profession requires individuals that understand change and are ready to respond to new, emergent technologies. Idaho being a rural state, is coupled with political, financial, and geographic barriers to providing educational opportunities for practicing professionals. One mission of the ISRT is to provide an avenue for practicing technologists to gain new knowledge and renew current practices to provide “state of the art” care to the citizens of Idaho. This conference will provide attendees with needed continuing education on a variety of topics relating to healthcare and medical imaging.

The ISRT is actively seeking vendor partners who wish to monetarily sponsor one of our events, or provide door prizes.

For your convenience, a Vendor Registration Form has been included. We are looking forward to seeing you (virtually) at the conference. Please feel free to contact me with any questions.

Registration begins Friday at 5:00 p.m. Please consider this opportunity to donate today! Just return the form below (or download the form at [www.idahoisrt.org](http://www.idahoisrt.org)) and your check!

**Best regards,**

Trevor Ward, M. Ed., R.T., (R)(ARRT)
