ISRT EXHIBIT RULES AND REGULATIONS

Eligibility:
- All registered technologists and students who are ISRT members in good standing with the society are eligible providing their application and manuscripts are submitted by April 1st, 2022.

- The following ISRT officers may not participate in competition: President, President-Elect, Secretary, Treasurer/Membership Officer, Essay Chairperson, Essay Judges, or persons employed by commercial firms engaged in the sale or manufacture of equipment or products.

Applications:
- Application forms are available on the ISRT web site. Electronic applications must be forwarded to IdahoISRTWebmaster@gmail.com, within the submission deadline date.
- Proof of membership in the ISRT will be verified with the membership officer by the Committee Chairperson. Non-members will be disqualified.
- Applicants may submit only one (1) exhibit for competition. If the exhibit has been created by a team, only one submission per team is necessary.

Identification:
- Each applicant or team shall submit (1) electronic application.
- All work must be original.
- The exhibit shall be **DE-IDENTIFIED** (i.e. remove author, clinical site, college). Failure to do so will result in disqualification.
- Neither the ISRT nor the exhibit committee shall be responsible for materials submitted for exhibition. All reasonable care will be taken to ensure exhibit safety.

Specifications:
- The space allocated to exhibitors shall not exceed the size of a 36" H x 48: wide tri-fold display board or laminated poster.
- Exhibitors must set up their display no later than 8:00 a.m. of the opening day of the conference. An exhibitor unable to do so may delegate the responsibility to another individual, but not a member of the exhibit committee.
- Each exhibitor will arrange their exhibit under the supervision of an exhibit committee member.
- Exhibits must be dismantled by 5:00 p.m. on the last day of the conference, or earlier on the last day if requested.

Judging:
There will be no separate classification for technologist and student categories. All essays will be judged as one unit. The Committee Chairperson shall select three judges no later than sixty (60) days prior to the Conference. The judges shall be:

- Registered technologists that are members of their respective associations/societies and employed in the profession for at least five years.
- Familiar with the subject matter to be judged. It is acceptable for the judge to use resource persons to comment on the validity of the technical content.
- Solely responsible to the Committee Chairperson.
- Judges decisions are final.
