Meeting minutes:

Proposition is made to create a vice-president position for ISRT. The board decides the position is not needed.

The proposal to implement student fees for ISRT membership is discussed. The board decides against this proposal.

A motion to cover ISRT board member rooms for this year's conference is voted upon. All votes for approval with no dissenting. Passed.

Next year's ISRT conference will be tentatively planned for the 22nd of April. Next year's ISRT board must approve this plan. A virtual conference is also proposed as a plan to alternate in-person and virtual conferences.

Another proposal is discussed to perform two smaller conferences yearly, one spring and one fall. This is to be approved by the next ISRT board.
