

ISRT Meeting Minutes 1/13/22 1830 - 1915

Present:

Michael Santistevan

Rendi Kelly

Tim Masters

Wendy Mickelsen

Breezy Bird

Candice Moore

Meeting minutes:

Per Wendy, CVs are required of conference speakers. Wendy has been waiting for about one week for confirmation of this from the ASRT.

Lunch is provided for speakers who volunteer at the ISRT conference. For technologist speakers, their membership is comped.

A motion is proposed to offer a \$25 gift card to speakers as a thank you. The motion is unanimously approved by board members.

Wendy and Breezy have existing artwork that could be used for postcards and/or email information about the ISRT. This artwork is shared during this meeting proposed as potential marketing material.

An email blast or postcards could get the word out to current and prospective ISRT members about the ISRT, the ISRT website, and the upcoming conference. ASRT may provide a list of ASRT members within the State as the ASRT has done this in years past.

Tim will send information of the conference to all state imaging schools.

Chris Wertz will be contacted by Tim about a student bowl during the conference. Chris has helped with this previously.

If a student bowl is done, 5-630 on the Friday is discussed as being an appropriate date and time.

Breakout sessions will be had at the upcoming conference. Ultrasound and mammography, breakouts it is recommended be added to any marketing materials for the conference.

A motion is proposed to create and mail postcards mid-February as previously described. The motion is unanimously approved by board members.

Mike informed the group that the previous ISRT secretary last Sunday transferred paperwork briefcases and a box to him.
