

MEETING MINUTES ISRT MAY MEETING

**DATE:**

5/10/2023

TIME:

7:15 pm Virtually

FACILITATOR:

Casey Dye

IN ATTENDANCE

Leah Johnson, Casey Dye, Breezy Bird,
Ashley Klink, Tim Masters, Tracie
Thompson

APPROVAL OF MINUTES**MINUTES**

- Casey Dye called meeting to order
 - Ask that everyone look over the Post-Conference Meeting notes
- Lewis & Clark's (school up north) division chair for health sciences, Kim (KR Harmon), was contacted by Casey but received no answer back regarding no attendance to the Spring Annual Conference
- Casey talked to Matthew about attendance and having the conference next spring in Coeur d'Alene
 - Conference rooms are pretty small at the hotel rooms
 - The reservation casino would be best for meeting room sizes
 - Nobody up north registered for the conference because of not liking virtual meeting.
 - Matthew thinks that he can get about 100 people to attend the conference.
 - Should outreach to Montana and Washington State societies to offer opportunity to members for CEs and attend the conference.

- Concerns about cost of conference for board travel as well as other conference costs without enough attendance to offset the cost should be considered.
- Send out an RFP up north via Chamber of Commerce to get estimates for costs for difference facilities to host.
 - Possibly the college campus may have spaces to rent out to us also
- Send out survey to members to see how much interest there would be to attendance for conference in Coeur d' Alene. Done via google form and email out link to members. Candace will email those out to all members.
- Speakers will need to be contacted and asked early on to ensure attendance; begin outreach for speakers now. Would like pre-recorded lectures from Radiologists, Siemens
 - Lectures need to be submitted to ASRT no later than 2 weeks prior to conference
- Casey called for a motion to vote on sending out an RFP in Coeur d'Alene. Seconded by Tim.
- Tim set a motion to reach out to Montana and Washington State societies to offer opportunity to members for CEs and attend the conference. Ashley Klink seconded.
- Tim motioned to have Candance send out a questionnaire to both ISRT and ASRT members to have a conference. Leah seconded.
- Tim & Tracie will meet at a later time to file and submit forms needed for ISRT compliance and other forms for ASRT.
 - Breezy will file the financial report and post card (990)
- Board would like to file for the affiliate financial assistance program via ASRT
 - Tracie and Tim will look into doing that and work on it
- Legislation for Idaho registration to pass in January/February
 - Casey trying to get in touch with the Idaho Hospital and Physicians affiliates to come to an agreement
 - Proposal would be: anyone currently taking x-rays in office would be grandfathered into a limited licensure, but after termination of that job, the replacement in the office would need to be registered
 - Discussion of concerns about challenges to get licensed professionals (shortages) and schools offering limited licensed programs.
 - "Think tank" discussion for all the school directors to discuss options for limited programs and invite Utah (Washington or Wyoming) school directors to give insight as well as an ASRT leader to oversee for the Fall Virtual Conference
 - Ashley motioned to set up a meeting for the University directors, and ASRT for limited licensing. Tim seconded.
 - Casey will reach out to Tonya @ Weber and Dave @ SLCC for meeting setup in September; Sid Sanders @ ASRT
- Tim motioned to adjourn meeting. Seconded by Ashley.

NEXT MEETING

3rd Tuesday in July, the 18th, 2023
